(3) Nothing in paragraph (2) shall preclude any person entitled or permitted to appear from referring to issues which they consider relevant to the consideration of the application or appeal but which were not issues identified by the inspector pursuant to that paragraph.

(4) Unless in any particular case the inspector otherwise determines, the local planning authority shall begin and the applicant shall have the right of final reply; and the other persons entitled or permitted to appear shall be heard in such order as the inspector may determine.

(5) A person entitled to appear at an inquiry shall be entitled to call evidence and the applicant, the local planning authority and any statutory party shall be entitled to cross-examine persons giving evidence, but, subject to the foregoing and paragraphs (6) and (7), the calling of evidence and the cross-examination of persons giving evidence shall otherwise be at the discretion of the inspector.

(6) The inspector may refuse to permit the—

- (a) giving or production of evidence;
- (b) cross-examination of persons giving evidence; or
- (c) presentation of any other matter,

which he considers to be irrelevant or repetitious; but where he refuses to permit the giving of oral evidence, the person wishing to give the evidence may submit to him any evidence or other matter in writing before the close of the inquiry.

(7) Where a person gives evidence at an inquiry by reading a summary of his proof of evidence in accordance with rule 13(5)—

- (a) the proof of evidence referred to in rule 13(1) shall be treated as tendered in evidence, unless the person required to provide the summary notifies the inspector that he now wishes to rely on the contents of that summary alone; and
- (b) the person whose evidence the proof of evidence contains shall then be subject to cross-examination on it to the same extent as if it were evidence he had given orally.

(8) The inspector may direct that facilities shall be afforded to any person appearing at an inquiry to take or obtain copies of documentary evidence open to public inspection.

(9) The inspector may—

- (a) require any person appearing or present at an inquiry who, in his opinion, is behaving in a disruptive manner to leave; and
- (b) refuse to permit that person to return; or
- (c) permit him to return only on such conditions as he may specify,

but any such person may submit to him any evidence or other matter in writing before the close of the inquiry.

(10) The inspector may allow any person to alter or add to a statement of case received by the Secretary of State or him under rule 6 so far as may be necessary for the purposes of the inquiry; but he shall (if necessary by adjourning the inquiry) give every other person entitled to appear who is appearing at the inquiry an adequate opportunity of considering any fresh matter or document.

(11) The inspector may proceed with an inquiry in the absence of any person entitled to appear at it.

(12) The inspector may take into account any written representation or evidence or any other document received by him from any person before an inquiry opens or during the inquiry provided that he discloses it at the inquiry.

(13) The inspector may from time to time adjourn an inquiry and, if the date, time and place of the adjourned inquiry are announced at the inquiry before the adjournment, no further notice shall be required.

(14) In respect of any inquiry that the Secretary of State expects to last for 8 or more days, any person, who appears at the inquiry and makes closing submissions, shall by the close of the inquiry provide the inspector with a copy of their closing submission in writing.

Site inspections

16.—(1) The inspector may make an unaccompanied inspection of the land before or during an inquiry without giving notice of his intention to the persons entitled to appear at the inquiry.

(2) During an inquiry or after its close, the inspector—

- (a) may inspect the land in the company of the applicant, the local planning authority and any statutory party; and
- (b) shall make such an inspection if so requested by the applicant or the local planning authority before or during an inquiry.

(3) In all cases where the inspector intends to make an accompanied site inspection he shall announce during the inquiry the date and time at which he proposes to make it.

(4) The inspector shall not be bound to defer an inspection of the kind referred to in paragraph (2) where any person mentioned in that paragraph is not present at the time appointed.

(2) Where an assessor has been appointed, he may, after the close of the inquiry, make a report in writing to the inspector in respect of the matters on which he was appointed to advise.

(3) Where an assessor makes a report in accordance with paragraph (2), the inspector shall append it to his own report and shall state in his own report how far he agrees or disagrees with the assessor's report and, where he disagrees with the assessor, his reasons for that disagreement.

(4) When making his decision the Secretary of State may disregard any written representations, evidence or any other document received after the close of the inquiry.

(5) If, after the close of an inquiry, the Secretary of State—

- (a) differs from the inspector on any matter of fact mentioned in, or appearing to him to be material to, a conclusion reached by the inspector; or

- (b) takes into consideration any new evidence or new matter of fact (not being a matter of government policy),

and is for that reason disposed to disagree with a recommendation made by the inspector, he shall not come to a decision which is at variance with that recommendation without first notifying the persons entitled to appear at the inquiry who appeared at it of his disagreement and the reasons for it; and affording them an opportunity of making written representations to him or (if the Secretary of State has taken into consideration any new evidence or new matter of fact, not being a matter of government policy) of asking for the re-opening of the inquiry.

(6) Those persons making written representations or requesting the inquiry to be re-opened under paragraph (5), shall ensure that such representations or requests are received by the Secretary of State within 3 weeks of the date of the Secretary of State's notification under that paragraph.

(7) The Secretary of State may, as he thinks fit, cause an inquiry to be re-opened, and he shall do so if asked by the applicant or the local planning authority in the circumstances mentioned in paragraph (5) and within the period mentioned in paragraph (6); and where an inquiry is re-opened (whether by the same or a different inspector)—

- (a) the Secretary of State shall send to the persons entitled to appear at the inquiry who appeared at it a written statement of the matters with respect to which further evidence is invited; and
- (b) paragraphs (3) to (8) of rule 10 shall apply as if the references to an inquiry were references to a re-opened inquiry.

Notification of decision

18.—(1) The Secretary of State shall, as soon as practicable, notify his decision on an application or appeal, and his reasons for it in writing to—

- (a) all persons entitled to appear at the inquiry who did appear, and
- (b) any other person who, having appeared at the inquiry, has asked to be notified of the decision.

(2) Where a copy of the inspector's report is not sent with the notification of the decision, the notification shall be accompanied by a statement of his conclusion and of any recommendations made by him, and if a person entitled to be notified of the decision has not received a copy of that report, he shall be supplied with a copy of it on written application to the Secretary of State.

(3) In this rule "report" includes any assessor's report appended to the inspector's report but does not include any other documents so appended; but any person who has received a copy of the report may apply to the Secretary of State in writing, within 6 weeks of the date of the Secretary of State's decision, for an opportunity of inspecting any such documents and the Secretary of State shall afford him that opportunity.

(4) Any person applying to the Secretary of State under paragraph (2) shall ensure that his application is received by the Secretary of State within 4 weeks of the Secretary of State's determination.

Procedure following quashing of decision

19.—(1) Where a decision of the Secretary of State on an application or appeal in respect of which an inquiry has been held is quashed in proceedings before any court, the Secretary of State—

- (a) shall send to the persons entitled to appear at the inquiry who appeared at it a written statement of the matters with respect to which further representations are invited for the purposes of his further consideration of the application or appeal;
- (b) shall afford to those persons the opportunity of making written representations to him in respect of those matters or of asking for the re-opening of the inquiry; and
- (c) may, as he thinks fit, cause the inquiry to be re-opened (whether by the same or a different inspector) and if he does so paragraphs (3) to (8) of the rule 10 shall apply as if the references to an inquiry were references to a re-opened inquiry.

(2) Those persons making representations or asking for the inquiry to be re-opened under paragraph (1)(b) shall ensure that such representations or requests are received by the Secretary of State within 3 weeks of the date of the written statement sent under paragraph (1)(a).

The Secretary of State may at any time in any particular case allow further time for the taking of any step which is required or enabled to be taken by virtue of these Rules, and references in these Rules to a day by which, or a period within which, any step is required or enabled to be taken shall be construed accordingly.

EXPLANATORY NOTE

(This note is not part of the Rules)

These Rules regulate the procedure to be followed in connection with local inquiries in England held by the Secretary of State before he determines applications referred to him, or appeals made to him, in relation to planning permission, listed building consent and consent for the demolition of unlisted buildings in conservation areas (known as “conservation area consent”). Provision is also made for the participation of the Mayor of London.

They replace, with amendments, the Town and Country Planning (Inquiries Procedure) Rules 1992, which are revoked, subject to the exceptions and transitional provisions contained in rule 24.

The principal changes made by these Rules are follows:—

Rule 4(4) requires local planning authorities to return their completed questionnaires to the Secretary of State within 2 weeks of the starting date.

Rule 5 requires that pre-inquiry meetings are to be held for all inquiries that the Secretary of State expects to last more than 8 days, unless he considers it unnecessary.

Rule 6 requires the applicant and the local planning authority to ensure that 2 copies of their statements of case have been received by the Secretary of State within 6 weeks of the starting date. It provides for the documents to be copied by the Secretary of State to the parties and to be sent to the inspector.

Rule 8 provides that the inspector will arrange a timetable, in respect of inquiries where a pre-inquiry meeting is held or which Secretary of State expects to last 8 days or more, and may vary the timetable.

Rule 13(4) provides for the proofs of evidence to be sent by the Secretary of State to the inspector.

Rule 14 requires the applicant and the local planning authority to prepare a statement of common ground and send it to the Secretary of State and any statutory party 4 weeks before the inquiry.

Rule 15(2) provides that at the start of the inquiry the inspector will state what he considers to be the main issues to be considered at the inquiry.

Rule 15(4) requires that the local planning authority are to present their case first.

Rule 15(14) requires that in respect of any inquiry that the Secretary of State expects to last 8 days or more, any party who appears shall provide a copy of their final submissions in writing.

Rule 17(4) enables the Secretary of State to disregard any representations or evidence received after the close of the inquiry.

Rule 21 enables the Secretary of State to request additional copies of documents.

Rule 23 provides for modification of the Rules in respect of—

- (a) applications and appeals where the Mayor of London has directed the local planning authority, in relation to the application occasioning the inquiry, to refuse the application; and
- (b) applications and appeals, not falling within paragraph (a), where the local planning authority was required to notify the Mayor of London of the application occasioning the inquiry.

There are also minor and drafting amendments.
