Introduction:

This is one of a number of documents produced by Planning Jungle Limited (www.planningjungle.com). This company provides one of the most comprehensive resources available relating to householder permitted development legislation, and one of the only sources of consolidated versions of planning secondary legislation.

About this document:

This document provides a quick reference guide for the “The Town and Country Planning (Use Classes) Order 1987” (as amended). This document incorporates the Use Classes from the “UCO 1987 (Consolidated)” document and the permitted changes of use and temporary uses from Parts 3 and 4 of the “GPDO 2015 (Consolidated)” document.

This document is accessible by anyone, including people who are not members of the Planning Jungle website. As such, you are welcome to distribute this document in its original form (i.e. without alterations).

Note: For the definitions of the Use Classes, this document aims to remain as close as possible to the wording of the legislation (rather than paraphrasing this wording), and where parts of this wording have been omitted (for reasons of conciseness) this is indicated via the use of “...”. For the permitted changes of use and temporary uses, it’s important to always check the legislation (e.g. via the links within this document), as many of the Classes of the GPDO 2015 contain limitations and conditions that exclude certain types of buildings, or set out various other restrictions, or require an application for prior approval (or similar) to be submitted to the local authority, etc.
